Church Doors

In order to keep the Learning Center children safe, ALL church doors will be locked during the week. If you need to get into the building, come to the main church entrance and buzz the doorbell to the right of the doors. Someone will greet you through the speaker and unlock the door for you. Be sure to stand in the doorway so we can see your face. If you have any questions or concerns about this, please contact Brian in the church office (briann@northminster.us). Thanks for helping us keep our little ones safe!
