

## Summer Camp Registration Process and Dates

### READ CAREFULLY:

All registration weeks are first come, first serve and will be prioritized as outlined by the registration dates below. Registration forms must be submitted for all children **in person**. Emails will **not** be accepted because it is too difficult to determine first come, first serve. Forms and rates will be available on March 1st but will not be accepted prior to the dates below for each phase of the registration. Please read all registration information and note the dates that you can register. Forms will be accepted in the order they are received. You will receive a confirmation email that your child is registered for your requested weeks or is on the waitlist for requested weeks. A waitlist will be generated for each of the weeks of Summer Camp 2026. Our website and Facebook page will be updated as classes fill up.
